MATERIAL CHOICES:

SUBLIMATED

V10 AIRELITE is our most popular fabric as it is lightweight and breathable. It allows moisture vapour to pass from the inside to the outside of the garment, letting your skin breathe and enhance comfort.

V10 SUBLIMAX is a flexible fabric that creates the ultimate balance between comfort, style and performance. A highly advanced material developed especially for sublimated sports products. It's Slightly thicker which is ideal for outdoor matches.

NETBALL BIBS

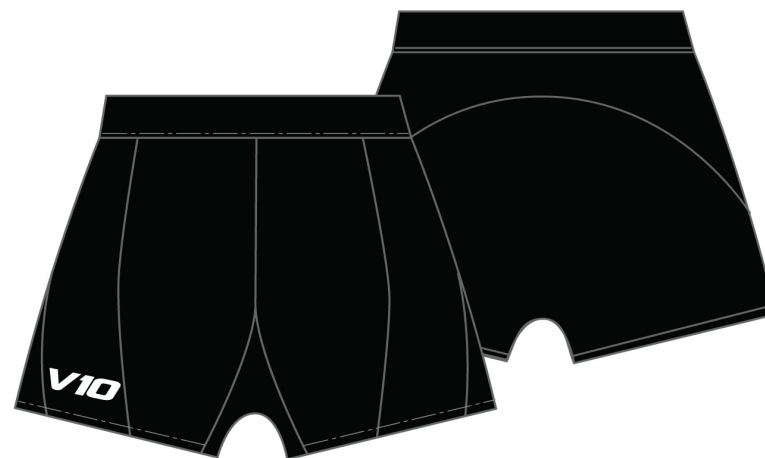

SUBLIMATED DESIGN

Our Netball Bibs are made to match the exact colours of your netball dress and can be made in any colour way you choose!

Each set consists of 14 bibs, 2 bibs per position, for the front and back of the dress.

UNIVERSITY KIT

UNIVERSITY SPORTS

2019/2020

UNIVERSITY KIT SPECIALISTS

Viper 10 is a multi-sport one-stop-shop for your University.

We provide performance match kit for over 40 sports including Rugby, Hockey, Netball, Lacrosse, Football, Basketball, Dodgeball, Volleyball, Racquet Sports, Cricket, Korfball, Rowing, Cycling and Cheerleading.

Viper 10 have an in-house design team which can take your University colours and create unique product designs for both match kit and leisurewear.

Viper 10 thrive on the challenge of enhancing the student experience for our University Partners. In the past we have delivered pre-season events with photoshoots and team-building. This supports the on-boarding process and creates a sense of pride, unity and belonging for students.

As one of the most socially engaging teamwear brands in the UK, Viper 10 has fast become the player's choice within the student sport landscape
